

WHAT IS A SCINTILLA CHARTER ACADEMY TORCH PARTNER?

Scintilla Charter Academy is a free public charter school, located in Valdosta, Georgia, serving scholars in kindergarten through fifth grade. Now in our fourth year of operation, we are working diligently to continue our momentum of positive growth and achievement. We are eager to partner with local businesses and individuals through our Torch Partner program to help further our mission to increase student achievement and develop social responsibility through educational innovations in a safe community of involved families and educators.

Scintilla Charter Academy Torch Partners are businesses and individuals in the community who light the way for scholar success through their generous contributions of time, talent and treasure. We would love to partner with your business and recognize you as a Scintilla Charter Academy Torch Partner.

During this school year, we are fully implementing integration of the arts across the curriculum and construction has begun on a state-of-the-art outdoor learning lab to include a school garden. Ultimately, we plan work towards securing funds and partnerships to construct a multi-purpose space that can house our physical education classes, as well as, serve as a place to host our school family for events, programs, and performances.

We proudly display our partners in our school's front hallway and feature them on our website and social media channels.

To become a Torch Partner, just complete the form on the back of this page and return to Jennifer Denham via email –

jdenham@scintillacharteracademy.com or fax 229.333.0283.
