

Wellness Policy

Scintilla Charter Academy recognizes that student wellness and proper nutrition are important to student's well-being, growth, development and are readiness to learn and participation in our school program.

Scintilla is committed to providing a healthy environment for mind and body by promoting student wellness, nutrition education, and regular physical activity.

Our goal will be to teach our scholar's about the healthy benefit of eating a well-balanced diet and participating in a form of physical exercise.

Scintilla participates in the federal school meal program.

All foods and drinks that we provide for our scholar's will be items that are approved in the federal school food program.

Scintilla shall organize a wellness committee with school officials and our community to participate, develop, and the implementation of our wellness policy.

Our wellness policy will be reviewed at the end of the school term by the appointed committee.

The procedures that will be included, at a minimum:

1. Standards and nutrition guidelines for all foods and beverages available in our school during normal school hours that:
 - a. Are consistent with federal meal pattern and nutrition guidelines.
 - b. Scintilla will not sale to scholar's competitive foods during the regular school hours that do not meet federal criteria.
 - c. Fundraiser's will meet state guidelines and adhere to the Hunger Free Kids act of 2010
2. A committee of faculty, and parents will be responsible for ensuring that Scintilla is compliant with the policy. Providing feedback and direction as needed.
3. The wellness policy will be on our Scintilla web site and encourage participation to all that have a desire to promote the policy at www.scintillacharteracademy.com under parent resources and official notices.
4. Periodic assessments and progress of the wellness policy will be conducted in accordance with state and federal requirements and updates or modifications as needed.
