The Scintilla Charter School Governing Board (“Board”) adopts the following policy which shall be effective on the date that the policy is adopted by the Board. If applicable, once adopted this policy replaces any previously approved school policy currently in place that provided direction on the items in this policy.

SECTION 1. This policy is adopted in accordance with the requirements of HB 1178 enacted by the Georgia General Assembly during the 2022 legislative session.

### **SECTION 2. Review of Student’s Records**

In accordance with OCGA §20-2-786, parents shall be allowed to review all records relating to their minor child, including but not limited to current grade reports and attendance records.

Parents wishing to review their child’s records should submit a written request to the Superintendent or his/her designee, identifying the specific records being requested for review. Upon receipt of a request under this policy, the Superintendent or his/her designee shall locate the identified records in existence and notify the parent of the time and place where the records may be reviewed.

To the extent practicable, identified records shall be produced for review within three (3) business days of receiving a written request. In any instance where some or all of the requested records are not available within three (3) business days, the school shall make available within that period the records that are available. For all other records, the Superintendent or his/her designee shall, within three (3) business days, provide a description of the identified records in existence and a timeline for when the information will be available for inspection. All remaining identified records shall be produced for review as soon as practicable but in no case more than thirty (30) days after receipt of the request.

Records produced for review under this policy may not be altered or removed from the location identified for reviewing records, and in no case shall records be removed from school property.

Pursuant to this policy, a parent may file an appeal, if the Superintendent or his/her designee fails to provide existing responsive information within thirty (30) days from the date of the request.

Under this policy, the Superintendent shall ensure that all instructional materials intended for use in the school's classrooms in each grading period are made available for parent review during the review period. During this time, instructional materials may be made available for review on the school's website or at the school upon written request by a parent.

### SECTION 4. Objection to Instructional Material

The Superintendent shall appoint at least one person to receive parent objections to instructional materials under this policy. All objections must be in writing and submitted during the review period. A properly filed objection must include the following information:

Briefly describe the nature of the objection

Upon receipt of an objection, the Superintendent shall review the objection and provide a response, in writing, within five (5) business days.

Only objections filed, in writing, by the parent of a student in the identified classroom will be reviewed and receive a response. Pursuant to this policy, a parent may file an appeal of the Superintendent's decision to a properly submitted objection or if a response has not been provided within five (5) business days.
