NOTIFICATION OF RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS TO PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day Scintilla Charter Academy receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the Director of Student Information Systems a written request that identifies the records they wish to inspect. The

school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask Scintilla Charter Academy to amend their child's or their education record should write to the Dean of School, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Scintilla Charter Academy to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, § 99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect

and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf if applicable requirements are met. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to § 99.38. (§ 99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction, if applicable requirements are met. (§ 99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7))

- To appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§ 99.31(a)(10))
- Information the school has designated as "directory information" if applicable requirements under § 99.37 are met. (§ 99.31(a)(11))
- To an agency caseworker or other representative of a State or local child welfare agency or tribal organization who is authorized to access a student's case plan when such agency or organization is legally responsible, in accordance with State or tribal law, for the care and protection of the student in foster care placement. (20 U.S.C. § 1232g(b)(1)(L))
- To the Secretary of Agriculture or authorized representatives of the Food and Nutrition Service for purposes of conducting program monitoring, evaluations, and performance measurements of programs authorized under the Richard B. Russell National School Lunch Act or the Child Nutrition Act of 1966, under certain conditions. (20 U.S.C. § 1232g(b)(1)(K))

FERPA Directory Information

However, Scintilla Charter Academy may disclose appropriately designated "directory information" without written consent, unless you have advised the Scintilla Charter Academy to the contrary in accordance with Scintilla Charter Academy procedures. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA) to provide military recruiters, upon request, with the following information – names, addresses, and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want Scintilla Charter Academy to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify the Scintilla Charter Academy in writing within 30 days from the first day of school. Scintilla Charter Academy has designated the following information as directory information:

- A student ID number or other unique personal identifier that is displayed on a student ID badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

Scintilla Charter Academy will develop and adopt policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. Scintilla Charter Academy will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. INFORMATION FOR HOMELESS STUDENTS

The McKinney-Vento Homeless Assistance Act (the Act) ensures educational rights for children and youth experiencing homelessness. The primary goal is educational stability. The Act defines homeless students as those who lack a fixed, regular, and adequate nighttime residence. This includes:

1. Children and youth who are forced to share the housing of other persons due to the loss of housing, economic hardship, or a similar reason; live in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; live in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement;
2. Children and youth who have a primary nighttime residence that is not designed for or ordinarily used as regular sleeping accommodation for human beings;
3. Children and youth who live in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; or,
4. Migratory children are considered homeless when they are living in circumstances set forth in items 1, 2, and 3. Unaccompanied Youth are students who are not in the physical custody of a parent/guardian and are living in a homeless situation.

Homeless students have certain educational rights and can:

- enroll without delay in school without proof of residency or permanent address, immunization, school records, or other documents or while documentation is being obtained
- choose between the local school where they are living or the school last attended before becoming homeless, when requested by the parent and determined by the district to be feasible and in the student's best interest

If the grievance is not resolved at Level 1 and the grievant wishes to pursue the grievance, it may be formalized by filing a complaint in writing on a Compliance Violation Form. This form may be obtained from the Title IX and Section 504 Coordinator.

The complaint shall state the nature of the grievance and the remedy requested. The filing of the formal, written complaint at Level 2 must be within fifteen (15) working days from the day of the event giving rise to the grievance or from the date the grievant could reasonably become aware of such an occurrence. The grievant may request that a meeting concerning the complaint be held with the Title IX and Section 504 Coordinator. A minor student may be accompanied at that meeting by a parent or guardian. The Title IX and Section 504 Coordinator shall investigate the complaint and attempt to solve it. A written report from the Compliance Officer to the complainant regarding action taken will be sent within fifteen (15) working days after receipt of the complaint.

REPORTING ACTS OF ALLEGED SEXUAL ABUSE OR MISCONDUCT

The following is the reporting process for students to follow in reporting instances of alleged inappropriate behavior by a teacher, administrator, or other school employee toward a student. This process shall not prohibit the ability of a student to report the incident to law enforcement authorities.

Any student (or parent or friend of a student) who has been the victim of an act of sexual abuse or sexual misconduct by a teacher, administrator or other School District employee is urged to make an oral report of the act to any teacher, counselor or administrator at his/her school.

Any teacher, counselor, volunteer or administrator receiving a report of sexual abuse or sexual misconduct of student by a teacher, administrator, or other employee shall make an oral report of the incident immediately by telephone or otherwise to the Superintendent, Assistant Superintendent, or designee, and shall submit a written report of the incident to the school's Dean of School, Assistant Dean or designee within 24 hours. If the Superintendent or Assistant Superintendent is the person accused of the sexual abuse or sexual misconduct, the oral and written reports should be made to the other.

The Superintendent, Assistant Superintendent, or designee receiving a report of sexual abuse as defined in O.C.G.A. § 19-7-5 shall make an oral report immediately to the school counselor, but in no case later than 24 hours from the time there is reasonable cause to believe a child has been abused. The school counselor shall report the accusation of sexual misconduct and/or sexual abuse to the local law enforcement agency believed to have jurisdiction in the case and to a child welfare agency providing protective services as designated by the Department of Human Services in the manner determined by such agency.

Reports of acts of sexual misconduct against a student by a teacher, administrator, or other employee not covered by O.C.G.A. § 19-7-5 shall be investigated immediately by school or system personnel. To protect the integrity of the process and to limit repeated interviews with the student, the designated system personnel is required to take a written statement from the student prior to any other person. If the investigation of the allegation of sexual misconduct indicates a reasonable cause to believe that the report of sexual misconduct is valid, the Superintendent, Assistant Superintendent, or designee shall make an immediate report to local police authorities. The SCSC and the Professional Standards Commission Ethics Division must also be notified of any validated acts of sexual misconduct.
