

2023-2024 Grandparents Club

The Grandparents Club is a group of grandparents who support the school by contributing their time and resources. The group was formed for grandparents who want to help with events, programs, and projects at Scintilla. The Grandparents Club is an opportunity for grandparents to be involved in the school life of their grandchildren. We welcome all grandparents near or far to be a part of the Grandparents Club.

To become a member of the SCA Grandparents Club for the 2023-2024 academic school year, please complete the bottom portion of this form and return to your grandchild's homeroom teacher, along with your membership dues of \$10 per PTO Member. Please make checks payable to SCA PTO. Cash is accepted and VENMO payments are now available through the app - search for @SCA-PTO-1 and list your name in the notes section.

Here are some ways to get involved:

Handy Hands - Grandparents and guardians that are handy and willing to assist with the "heavy lifting" or manual labor projects.

Serve - Assist in the school store, concession stand, room helpers, etc.

Career Connect - Help connect SCA Scholars with local service organizations, careers, serve as a speaker or content expert on any topic

Donations - Do not have time to serve, but will buy and send items as needed

Events - Help plan and execute family events and functions
