# **Notification of School Policies for New Scholars**

New Scholar's Name:
Enrolling and attending Scintilla Charter Academy is a choice for each child who is offered a spot for enrollment. Each family will receive a copy of our school handbook at the beginning of the school year with detailed descriptions of SCA's policies and procedures. As you submit an enrollment packet to secure your child's enrollment, we feel it is important to provide you with an overview of the policies and procedures used at SCA. Please review the policies procedures listed below, initial next to each policy/procedure, and sign at the bottom of this document stating that you have reviewed and agree to comply with these policies and procedures upon your child's enrollment.
Parent/Family/Guardian Responsibilities
Uniform Policy  SCA strives to encourage unity among our scholars, faculty, and staff. Implementing a uniform dress code at SCA allows us to work towards this effort. The atmosphere of a school must be conducive to learning, and a scholar's appearance can positively or negatively impact the climate of a school. SCA scholars must adhere to dress code requirements.
Transportation Policy SCA does not provide transportation to and from school.  [Initial]
Instructional Day  The instructional day is from 8:05 am to 3:05 pm (K-5) & 7:45 am to 3:30 pm (middle grades). SCA's attendance policy stipulates any scholar who arrives at SCA after 7:45 am/8:05 am will be counted tardy and must be escorted into the building and signed in by an adult at the main desk. All scholars must arrive at school on time and be picked up promptly at the end of the school day. The regular school day ends at 3:05 pm/3:30 pm. Scholars are expected to be picked up on time, between 3:05 pm and 3:45 pm. We encourage parents to enroll their child in Ignite, SCA's after-school program if they cannot make the 3:45 pm deadline. If your child has not been picked up by 3:45 pm you will be charged \$1 per minute to allow your child to participate in the after-school program until you arrive.
Attendance Policy  All scholars must be in school every day as mandated by state law. Parents/ guardians have one week to provide a written or emailed excuse for an absence, failure to do so will result in the absence being unexcused. Scholars must be in school unless the absence has been permitted or excused for one of the following reasons: illness of scholar, illness of immediate family member, death in the family, religious holidays of the scholar's own faith, required court appearance or subpoena by a law enforcement agency, scheduled medical or dental appointments, and/or utilizing the Georgia Military Family Act. If a scholar moves out of SCA's attendance zone (Lowndes or Brooks County) they will be subject to withdrawal.

# 1. After 3 unexcused absences:

A letter will be sent home to the scholar's parent or guardian regarding the scholar's unexcused absences. This letter will require the parent or guardian to contact the school's designee regarding the scholar's unexcused absences. Possible home visit.

# 2. After 5 unexcused absences:

SCA's school resource officer will contact the parent/guardian regarding excessive absences, tardies, or early dismissals and schedule a conference with the administration. According to S.B.O.E. 160-5-1-.10, a child is truant and subject to compulsory attendance who during the school calendar year has more than five days of unexcused absences. Possible referral to the Truancy Intervention Program.

## 3. After 7 unexcused absences:

A school social work referral will be generated by the Dean or Dean's designee listing specific school-based interventions (telephone calls, letters, conferences, etc.) that have occurred prior to making the referral.

## 4. After 10 unexcused absences:

Parent/Guardian's Name

Scholars and/or parents will be subject to a referral(s) to juvenile court, magistrate court, and/or Department of Family and Children's Services for truancy and/or educational neglect. Detailed information pertaining to the scholar, local school, and school social work interventions will be necessary when filing a complaint with DFCS, juvenile, and/or magistrate court.

# 5. After 15 or more unexcused absences:

Grade level retention will be considered \*See Promotion/Retention Policy.

After 10 consecutive absences, scholars are subject to administrative withdrawal.

Behavior Expectations	(Initial)
Our goal is to teach scholars the value and importance of following esta	ablished rules and procedures in order to maintain a safe, orderly, and
respectful environment both in our school and in the community. To th	at end, we will positively reinforce honorable conduct and good behavior as

our scholars in self-management of behavior and control of actions.

Offenses and Levels of Disciplinary Action	(Initial)
In an effort to keep scholars in their classroom so that learning is not di	srupted, SCA does not typically use ISS (in-school suspension) as a
consequence and primarily utilizes a reverse suspension model. If the b	ehavior occurs that requires an administrative consequence according to
SCA's Code of Conduct, SCA's administration may assign reverse suspe	ension rather than the consequence of a traditional suspension. Reverse

# **Georgia Home Language Survey**

Required: January 2024 | Optional: January 2023 - December 2023

# **Notice to Parents and Guardians:**

Georgia school systems are required<sup>1</sup> to collect your responses<sup>2</sup> to questions about your preferred language for school communication and your child's primary or home language. Information from the first question is used to identify your need for an interpreter or for translated documents. Information from the three *Home Language Survey questions* and the additional language information help us determine whether to screen your child's level of English language proficiency. The screening process will identify if your child qualifies for English learner status and services in our language instruction educational program.

Purpose of Questions	Questions & Parent/Guardians Responses
Communication Preferences	Parent Communication Language (Required)
This question helps the school provide you with an interpreter or translated documents, free of charge, should you want them.	In which language would you prefer to receive school communication?
This question is for informational purposes only. It is <u>not</u> used to identify your child for English language proficiency screening.	

# Identification of Potential English Learners

These three questions help schools identify if your child should be screened for eligibility to participate in their language instruction educational program.

When the response to any of these questions is a language other than English, schools may be required to screen your child's level of English language proficiency. If you respond with more than one language, the school will need additional information from you before making this decision.

# **Home Language Survey (Required)**

- Which language does your child <u>best</u> understand and speak?
- 2. Which language does your child <u>most frequently</u> speak at home?
- 3. Which language do adults in your home most frequently use when speaking with your child?

# Additional Information from Multilingual Families

If you indicated that your child and other adults in the home *understand and use English and another language* or languages, schools will ask you to provide additional information to decide if your child should be screened for English proficiency.

If you respond that your child understands and uses English more than the other home language, or that your child understands and uses both English and the other home language equally, the school will not screen your child for English language proficiency.

# Additional Information from Multilingual Families. Choose <u>only one sentence</u> that best describes your child's primary language.

- My child understands and uses only the home language and no English.
  - My child understands and uses mostly the home language and a little English.
- My child understands and uses the home language and English equally.
  - My child understands and uses mostly English and only a little of the home language.
- My child understands and uses only English.

# Encuesta de Georgia sobre el idioma en el hogar

Obligatorio: enero del 2024 | Opcional: enero del 2023 – diciembre del 2023

## Aviso para padres/tutores:

Los sistemas escolares de Georgia están obligados a¹ recopilar sus respuestas a² las preguntas en relación con el idioma preferido para la comunicación escolar y sobre la lengua materna o que se habla en el hogar del/de la niño/a. La información de la primera pregunta se utiliza para identificar su necesidad de un intérprete o documentos traducidos. La información de las tres preguntas de la encuesta sobre el idioma en el hogar (En inglés: Home Language Survey) y la información adicional nos ayuda a determinar si es necesario evaluar el nivel de dominio del inglés de su hijo/a. El proceso de evaluación identificará si el/la niño/a reúne los requisitos para el término de aprendiz de inglés y recibir servicios en nuestro programa educativo de enseñanza de inglés.

Objetivo de las preguntas	Preguntas y respuestas de los padres y tutores
Preferencias de comunicación	Idioma de comunicación de los padres y tutores (Favor de contestar.)
Esta pregunta ayuda a la escuela a proporcionarle un intérprete o documentos traducidos, sin cargo, si lo desea.	<ul> <li>¿En qué idioma prefiere recibir la comunicación escolar?</li> </ul>
Esta pregunta es solo <u>con fines informativos.</u> <u><b>No</b></u> se utiliza para identificar a su hijo/a para una prueba del dominio del inglés.	

# Identificación de posibles aprendices de inglés

Estas tres preguntas ayudan a las escuelas a identificar si su hijo/a debe ser evaluado/a para determinar la elegibilidad para participar en el programa educativo de enseñanza del idioma.

Cuando la respuesta a cualquiera de estas preguntas sea un idioma distinto del inglés, las escuelas pueden verse obligadas a evaluar el nivel dominio del inglés de su hijo/a. Si responde en más de un idioma, la escuela necesitará más información antes de tomar esta decisión.

# Encuesta sobre el idioma en el hogar

(Favor de contestar.)

- 1. ¿Qué idioma entiende y habla <u>mejor</u> su hijo/a?
- 2. ¿Qué idioma utiliza su hijo/a con <u>mayor</u> frecuencia en el hogar? \_\_\_\_\_
- 3. ¿Qué idioma utilizan con <u>mayor</u> frecuencia los adultos en su hogar al hablar con el/la niño/a?

# Información adicional para familias multilingües

Si indicó que su hijo/a y otras personas adultas en su hogar *entienden y utilizan el inglés y otro(s) idioma(s)*, las escuelas le solicitarán que proporcione más información para decidir si se debe evaluar el dominio del inglés de su hijo/a.

Si responde que su hijo/a entiende y utiliza el inglés con mayor frecuencia que el idioma que se habla en el hogar, o que su hijo/a entiende y utiliza tanto el inglés como el idioma que se habla en el hogar por igual, la escuela no evaluará el dominio del inglés de su hijo/a.

# Información adicional para familias multilingües.

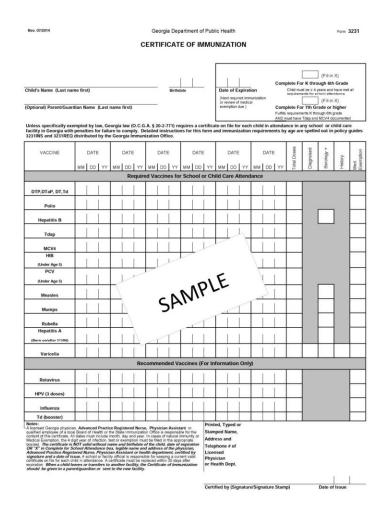

(Elija <u>solo una frase</u> que mejor describa el idioma principal de su hijo/a.)

- Mi hijo/a solo entiende y utiliza el idioma que se habla en el hogar, no el inglés.
- Mi hijo/a entiende y utiliza principalmente el idioma que se habla en el hogar y un poco de inglés.
  - Mi hijo/a entiende y utiliza el idioma que se habla en el hogar y el inglés<mark>por igual</mark>.
- Mi hijo/a entiende y utiliza principalmente el inglés y solo un poco del idioma que se habla en el hogar.
- □ Mi hijo/a entiende y utiliza <mark>solo el inglés</mark>.
