*At Scintilla Charter Academy, we believe learning should spark curiosity, creativity, and confidence. As a public K-11 school (expanding to K-12 next year), SCA offers a dynamic, inquiry-based education where every scholar is known, challenged, and inspired to aim higher.*

*Through hands-on learning and design thinking, Spartans explore big ideas, connect learning across subjects, and apply their knowledge to the real world.*

*From classrooms and labs to stages and sports fields, SCA scholars build the skills, leadership, and character to succeed in college, career, and life.*
